Jelly Bean Soccer Prep

Just short of your child doing backflips, you can expect him or her to be begging to come back after every class! By keeping soccer simple and making learning fun, Jelly Bean Sports integrates all your child's favorite touches like bubbles, parachutes, rings, dots, beach balls and cones to help children of every skill level learn how to take to coaching and work both individually and collectively within a group. You will watch your child's attitude and confidence grow as he or she starts owning the soccer process taught the Jelly Bean Way!
