FENCING PROGRAM

The LifeSport Fencing Academy is a fencing club serving Youth Fencers. We offer fencing programs for beginners to advance. Fencing is one of the best youth sports because it challenges competitor's brains as strenuously as it does their bodies. While fencers benefit from strength and speed, they also need strategy, quick-thinking and determination. Fencing also provides a unique mix of camaraderie and self-reliance.

Beginning Fencers Equipment is provided

Advanced fencers will be encouraged to provide their own equipment

***Advanced Fencing program includes an OPEN FENCING PRACTICE session every Wednesday 7:00 –9:00 pm Supervised by the LifeSports Fencing Academy instructors.**

NO CLASSES November 26–28 and December 24–January 2
