## ONLINE LEARNING CLASSES

Online learning methods are gaining traction in all parts of the world. RoboThink, the premier STEM Edu-tainment program, is pleased to announce RoboThink Online! RoboThink's online classes are interactive, live classes that provide students an opportunity to learn and play in a fun environment in the comfort and safety of your home.

### Intro to Game Design

Design and play your own games in this interactive class. Easy, step by step instructions ensure that each budding game designer ends up with a fun new game in each class!

Learning Objectives:

- Creative Thinking
- Logical deductions/Problem solving skills
- Hand/eye coordination

CODE	SESSIONS	AGE	DAYS	TIME	COST
11946	September 14, 16, 21, 23, 28, 30	8+	Mon & Wed	4:00-5:00 pm	\$150 R/ \$165 NR
11947	October 5, 7, 12, 14, 19, 21	8+	Mon & Wed	4:00-5:00 pm	\$150 R/ \$165 NR
11948	November 2, 4, 9, 11, 16, 18	8+	Mon & Wed	4:00-5:00 pm	\$150 R/ \$165 NR
